## FACTORY CONFIGURATION & DELIVERY SUPPORT

- Frame / finish: commercial Q235 steel, custom powder-coated colors and upholstery options.
- Adjustment system: backrest, seat, locking positions and transport parts checked before release.
- Approval: requirements, drawing and configuration; custom schedule is stated in order documents.
- Lead time: standard production within 20 days after order and drawing approval.
- Quality control: every fastener, adjustment position, pad and accessory checked before packing.
- Shipment: wooden-crate packing plus spare hardware and a packing list.

Order specification record: approved drawings and order documents control configuration, packing dimensions and commercial terms.
