### FACTORY CONFIGURATION & DELIVERY SUPPORT

- Material / finish: Q235 steel, optional stainless steel, custom powder-coated colors.
- Structure: upright holes, joints, safeties and training positions checked against the approved configuration.
- Approval: requirements, drawing and configuration; custom schedule is stated in order documents.
- Lead time: standard production within 20 days after order and drawing approval.
- Quality control: every fastener, function and accessory list checked before packing.
- Shipment: wooden-crate packing plus wear-part spares and a wear-part list.

Order specification record: approved drawings and order documents control configuration, packing dimensions and commercial terms.
